Alaska Near Joint Base Elmendorf-richardson

2/11 Ibct (Airborne) Headquarters - Joint Base Elmendorf-Richardson

Exploring the 2/11 IBCT (Airborne) Headquarters at Joint Base Elmendorf-Richardson, Alaska

The **2/11 IBCT (Airborne) Headquarters** located at Joint Base Elmendorf-Richardson (JBER), Alaska, is a vital installation that serves the U.S. Army's airborne forces. Beyond its military significance, JBER is also committed

to ensuring accessibility for all service members and visitors.

Accessibility Features at JBER

One of the standout features of the base is its **wheelchair-accessible car park**. This essential amenity allows individuals with mobility challenges to navigate the area with greater ease. The well-designed parking facilities are strategically located close to key points of interest, demonstrating the base's commitment to inclusivity.

Wheelchair-Accessible Entrance

The **wheelchair-accessible entrance** to the 2/11 IBCT (Airborne) Headquarters is another critical aspect of its design. This entrance ensures that all personnel, regardless of their physical abilities, can access the building without hindrance. Visitors have praised the thoughtful design that prioritizes accessibility while maintaining a secure environment.

Community Feedback and Commitment

Feedback from those who have visited JBER highlights the importance of these accessibility features. One user remarked, "Prior service to fellow GI's dress right dress and cover down," emphasizing how the base respects the dignity of all its servicemen and women by providing adequate facilities for everyone.

Conclusion

Understanding the importance of accessibility at military installations like the 2/11 IBCT (Airborne) Headquarters enriches the experience for all service members and visitors. With features such as a **wheelchair-accessible car park** and **wheelchair-accessible entrance**, JBER stands as an exemplary model of inclusivity in the military community.
